

WARNING!

Pickpockets are out in full force in Southern California. They are traveling crews who are working throughout the nation. They are organized and **VERY** good at what they do:

DISTRACT you and **STEAL** your wallet.

Victims have primarily been women and the teams are male and female who are well-dressed, pleasant and **QUICK**.

They frequent grocery stores and restaurants.

The best defense is to **ALWAYS** carry your purse or backpack on your shoulder or across your body.

NEVER EVER leave your purse in a shopping cart or on the back of a chair.

They are trained at taking your eyes away from it.
