The City of Brea continues to follow all health orders and guidelines issued at the state and federal levels. We encourage the community to comply and use best health practices. Together we can flatten the curve and keep our community safe!

Stay at Home Order & Social Distancing

Residents are required to continue to stay at home except for essential needs. Because transmission is occurring throughout the county, it is important for individuals and businesses to practice social distancing, as directed by the Governor's order.

Masks & Face Coverings

The County strongly encourages employees at essential businesses and residents engaged in essential activities outside the home, to wear face coverings. This is intended to help slow the spread of COVID-19 by those who are not exhibiting symptoms. Do not purchase N95 and surgical masks, those are for first responders and healthcare workers.

Remember...
