

# Hey Brea!

Are you registered for AlertOC?

**AlertOC**  
S T A Y I N F O R M E D

## Be Prepared in the Event of a Disaster

AlertOC is a mass notification system designed to keep Orange County, California residents and businesses informed of emergencies that may require immediate life saving actions.

**Don't miss the county-wide test on  
September 17, 2025**

We encourage everyone to register their cell phone, text numbers, and email addresses at [www.AlertOC.gov](http://www.AlertOC.gov) so we can reach you no matter if you are home or away.

# Pedestrian & E-Bike Safety

School has begun and in order to increase awareness around pedestrian safety the Brea Police Department is offering the following safety tips and reminders.

## **PEDESTRIANS:**

- Keep your eyes up, and your phone down
- Look before crossing the street and always walk on sidewalks
- If there are no sidewalks, walk facing traffic as far to the left as possible
- Make eye contact with drivers before crossing the street and do not run into the street or cross between parked cars

## **E-BIKES:**

- Ride with the flow of traffic (not against)
- Always wear a helmet that fits properly and obey all stop signs and traffic signals
- Use electronic or hand signals to let drivers know your intentions to slow down or turn
- Riding with an extra passenger should only be attempted with bicycles designed to carry a passenger on their own seat
- When riding on City trails, please observe the posted trail etiquette signage stating bicyclists should yield to equestrian riders (horses) and all pedestrians
- E-bike riders must follow common sense precautions and all applicable rules of the road to stay safe and protected
