

IMPORTANT NOTICE

Brea Phase 2 Drought Response Now in Effect

- Outdoor irrigation is only permissible on Mondays and Thursdays.
- No watering may occur between 10 a.m. and 4 p.m.
- Each sprinkler station may run no longer than 15 minutes total time. Use a “cycle and soak” rotation to maximize absorption and minimize runoff.
- Never allow any run-off onto paved surfaces or into the storm drains.
- Use a broom and not the hose to clean patios and walkways.
