Draft Maps Overview

- We received 14 unique maps from the community
 - ▣ Two identical maps (104 & 108) were submitted by two different individuals
 - ▣ Three maps are not population-balanced (110, 111, & 114)
- NDC added three maps to the conversation (115, 116, and 117)
- This provides 14 full district map proposals

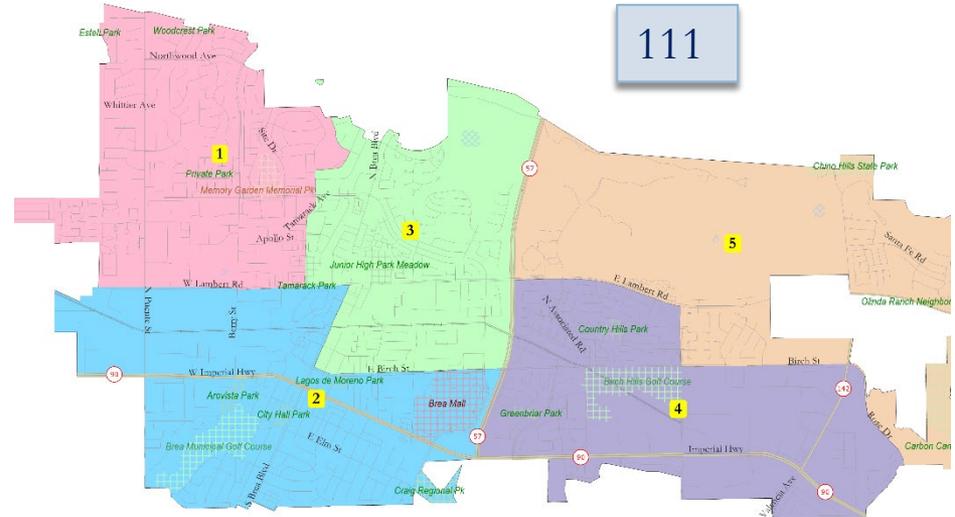

- NDC has standardized the proposals to ensure consistency in district numbering and proposed sequence of election
