

Dear Valued Member,

We are writing to inform you about an upcoming change to our membership options. After thoughtful review, we have decided to discontinue our **Green Monthly Recurring Membership** plan, effective **July 1, 2025**.

We appreciate your understanding as we update our membership offerings, and we want to assure you that we are committed to making this transition as smooth as possible. We deeply appreciate your loyalty and value your continued membership at Brea Fitness.

What this means for you:

- **Your current monthly Green recurring membership will remain active until December 31, 2025.** You can continue to enjoy all the benefits of your membership as you currently do until that date.
- **We will not reinstate any green monthly payments after July 2025.** If your green membership were to lapse for reasons of incomplete payment, we will not have the ability to reinstate the package.
- **Alternative Membership Options:** We will be offering alternative membership options for you to choose from, including Gold, Orange and Blue options. We believe these options will continue to provide you with excellent value and access to our facilities and services. Details about these options, including pricing and benefits, will be available on our website and at the front counter.
- **Exclusive Gold Membership Benefits:** We would like to take a moment to highlight our best-value option, the Gold membership.
 - Paid annually with the option to auto renew.
 - Discounts on specialty events, services and merchandise.
 - Access to InBody scans with the fitness team to monitor percentage of body fat (PBF) and skeletal muscle mass (SMM)
