

CITY OF BREA
Community Development
Building & Safety
Economic Development
Planning
MEMORANDUM

TO: City Council

FROM: William Gallardo, City Manager

BY: David Crabtree, Community Development Director

DATE: March 6, 2017

SUBJECT: GENERAL PLAN ANNUAL PROGRESS REPORT FOR 2017

In 2017, the City continued to implement the Goals and Policies identified in the comprehensive update to the General Plan adopted in August 2003. As required by Section 65400 of the California Government Code, the following is the annual report on the status of the plan and on Brea's progress in meeting our share of the Regional Housing Needs Assessment (RHNA) established through the Southern California Association of Governments (SCAG).

The Brea General Plan is organized into six sections identified as "chapters," each including one of the State's mandated elements of the General Plan, consistent with, and pursuant to, Section 65300 of the California Government Code. The following report is organized into the chapters from the General Plan. The first appendix of the General Plan, Appendix A: Implementation Guide, Attachment A, provides the overall direction and the specific Policies to be carried out to fulfill the City Council adopted Goals intended to be achieved as a result of the General Plan Update. This appendix should be referenced for specific information regarding Goals and Policies cited in this report.

Community Development

Land Use – The City of Brea Housing Element continued compliance with state law for the 2014-2021 time period. Brea remains committed to addressing its regional housing needs for all income levels and have adopted several policies and programs to:

- Streamline the development process for affordable housing;
- Provide incentives to encourage and facilitate housing affordable to lower income households;
- Promote and explore multi-family development within mixed use and residential zones; and
- Develop and adopt design guidelines for second units and multi-family development.

Several of the programs include timing to achieve implementation within the first few years of the 2014-2021 housing cycle, see Attachment B – Housing Implementation Program Summary. In 2017, the City worked towards 14 Housing Programs. Table 1 provides a specific breakdown.

Table 1 – City Housing Programs

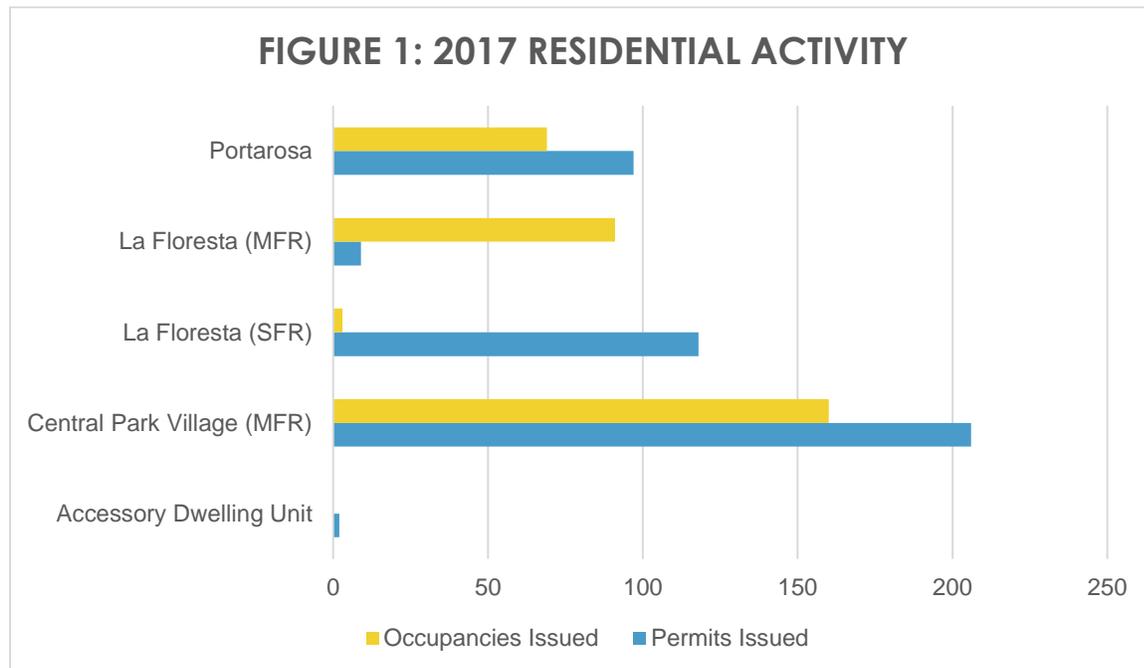

MAINTAINING EXISTING HOUSING QUALITY AND AFFORDABILITY	
HOUSING PROGRAM	ACHIEVEMENT
Single-Family Rehabilitation Program	Three loans and six grants were provided to lower income homeowners to help them rehabilitate their homes
PROVISION OF NEW AFFORDABLE HOUSING	
HOUSING PROGRAM	ACHIEVEMENT
Affordable Housing Ordinance	This year building permits were issued for multi-family units at Central Park Village, which includes 21 moderate income units.
PROVISION OF ADEQUATE HOUSING SITES	
HOUSING PROGRAM	ACHIEVEMENT
Land Use Element and Sites Inventory	An inventory of residential and mixed use opportunity sites was completed in 2012. Brea Place was approved for mixed used development on Focused Development Sites 3 and 4 in 2017.
Creation of High Density/Opportunity Sites	Staff has been evaluating suitable locations for re-designation. The City is in its beginning stages of the Brea Core Plan which will evaluate opportunity areas for high density and mixed-use development.
Creation of Higher Density Residential Zoning	
Accessory Dwelling Units	In December 2017, the Planning Commission passed ZOA 17-02 amending the City's Accessory Dwelling Unit development standards. The changes promote development of accessory dwelling units. The City received 2 construction applications and issued 2 building permits for accessory dwelling units this year.
REMOVAL OF GOVERNMENTAL CONSTRAINTS	
HOUSING PROGRAM	ACHIEVEMENT
Affordable Housing Incentives in Mixed-Use Zones	<p>This year the city kicked off The Brea Core Plan, which will directly address and implement several of the City's housing programs. It's objectives are:</p> <ol style="list-style-type: none"> 1. Set direction from a land use, urban design and policy perspective for accommodating new infill
Multi-family Development in Multi-family Zones	

Multi-family Design Guidelines	<p>development and address opportunity areas.</p> <ol style="list-style-type: none"> 2. Provide recommendation in terms of design concepts, entitlement strategies, and policy to help current developer proposals. 3. Evaluate opportunity areas for affordable housing in terms of design and incentives. One potential option could be a City Density Bonus Ordinance to better achieve affordable housing goals.
CEQA Exemptions for Infill Projects	
Efficient Project Processing	
EQUAL HOUSING OPPORTUNITIES AND SPECIAL NEEDS	
HOUSING PROGRAM	ACHIEVEMENT
Fair Housing Program	The City provides education information to the public by updating the City's website and offering assistance at the public counter. These actions help promote fair housing practice.
SUSTAINABILITY, ENERGY EFFICIENCY AND HEALTHY COMMUNITY	
HOUSING PROGRAM	ACHIEVEMENT
Green Building	The City continues to adhere to the CalGreen Code which was adopted and implemented in 2016. The code mandates the reduction of water use, divert construction waste to recycling and to ensure heaters, air conditioners and other mechanical equipment work efficiently.
Energy Conservation	Sustainability promotions and financial programs offered jointly by the City and Western Council of Governments include Property Assessed Clean Energy (PACE) plans designed to assist residential property owners with many types of clean energy upgrades such as solar panels, cool roofs , window and door replacements, or irrigation and lighting control systems. The City also posted web links to incentivize and educate the public on how to reduce greenhouse gas emissions and manage energy consumption.

The Housing Element identifies an increase in the City's senior population, with approximately 29% of the city's population being 62 years and older. With the rise of the senior population, rising rents are a particular concern due to the fact many seniors have fixed incomes. To assist with addressing this matter locally, Housing Program HE-22 and HE-23 have been included regarding housing affordability. The on-going effort to support a range of senior housing needs include:

- Senior Rental Subsidy program providing monthly rental subsidies for 28 “very low” income seniors;
- Engaging seniors through case managers and liaisons to better understand and plan for senior housing opportunities; and
- Providing resources for seniors (e.g. legal aid, mediators) specializing with housing issues such as rent control and legal contracts.

Housing Program HE-2, HE-4, HE-5 calls for rehabilitation and refinancing loans for rental properties. In 2017, the City assisted in the rehabilitation of 9 homes owned by low income residents through the Housing Rehabilitation Program. This was a combination of three loans and six grants to low income Brea homeowners. The rehabilitation included reroof, window, door, siding and floor repairs and bathroom remodels.

No new housing development applications were received in 2017, however the City experienced a large amount of residential activity. In 2017, 323 new residential units were released for occupancy. The majority of the units came from the final releases for the condominiums in the Central Park Village project as well as the Portarosa planning area of the La Floresta project. The City also issued 126 building permits for a total of 430 new residential units added to the City’s housing stock. The majority of new residential construction is in the La Floresta project. Figure 1 is the breakdown of residential activity in 2017. The units are a mix of single-family residential units and multi-family residential units, including townhomes. These residential projects remain consistent with the General Plan by providing site opportunities for the development of housing that responds to the community needs in terms of housing type, costs, and location helping achieve HE-3.1.

Among the new permits issued this year is the Active Senior community of Buena Vida (55+ age restricted housing), a part of the La Floresta project. The development includes 186 single family homes, 80 condominium units adding 266 total units to the age restrictive housing stock. The location of the development is within a half mile of restaurants, retail and a grocery store at the La Floresta Village and provides seniors easy access to a variety of services. The development also includes an exclusive recreation area with a pool, gym and meetings rooms providing seniors opportunities to learn new skills and share activities.

Focused Development Sites 3 and 4 along Birch Street and State College Boulevard were designated for high density mixed-use development in 2006. In 2017 the Planning Commission approved the development of Brea Place, also known as the Hines project. This mixed use project consists of 653 multi-family residential units, commercial uses and a new hotel. The development is centrally located to existing commercial uses, job centers including the Brea Market Place, Brea Mall, City Hall and Downtown. The existing infrastructure around the sites allows for greater opportunities for multimodal transportation. The development will be easily accessible from the 57 freeway and the Brea Tracks and is adjacent to OCTA stops offering access to six bus routes. The project meets the goals of HE-2.2, HE-3.3, and HE-3.4 by improving the City's supply of rental housing. This new mixed use development will allow for people to live, work, shop, and recreate with minimal automobile dependency through vertical and horizontal integration of compatible residential and commercial uses. This would achieve Policy CD-1.1 and CD-1.9 by creating a compact, walkable, mixed use neighborhood effectively integrating multi-family housing with neighborhood shopping centers. The new hotel would also create new employment opportunities and would make a positive contribution to the City's tax base in compliance with Policy CD-1.3 and Policy CD-1.6.

The second housing development approved this year is the Silverado Residential Care Facility located at 149 W Lambert Road. The site is currently developed with a biomedical laboratory and has been vacant for 7 years. The redevelopment of this location meets policy HE-3.4, which calls for consideration of reuse opportunities on underutilized commercial and industrial sites. HE-2.5, HE-2.7 encourages the provision of housing to meet the needs of the community. This assisted living facility will add 39 units to the housing stock specifically for patients with Alzheimer's, Parkinson's, and other types of dementia and memory impairment. The 39 units will consist of 8 single bed units and 31 two-bed units for a total potential occupancy of 70 residents. The facility will provide enrichment and quality of life for resident patients through the care of medical and nursing staff. Highly supported by the surrounding community, Silverado Residential Care allows the city to achieve policy goals CD-9.4 and HE-1.0 through careful planning and integration of needed housing units into the existing neighborhood.

The City completed the Brea Envisions Community Strategic Plan, a public outreach effort, to identify the Community's values, needs, and opportunities for the future. The goals of the effort included a community vision, to engage and inform the community, provide implementation steps to update documents including a focused updated to the General Plan, the Parks, Recreation and Human Services Plan, and develop a Cultural Arts Plan. As a result of the outreach effort, the Community Strategic Plan outlined nine strategic initiatives (community themes): Land Use and Housing, Economic Development, Energy and Sustainability, Fiscal Responsibility, Leisure and Culture, Open Space, Public Safety, Transportation, and Connected Community. Accordingly, the themes of the Community Strategic Plan align with the elements of the General Plan, becoming a guide for the City to further achieve General Plan goals. These emerging themes have directly led to the implementation of a new vision planning effort - the Brea Core Plan. The Brea Core Plan will draw upon the Strategic Initiatives and provide policies and regulations to guide new investment, housing opportunities, development, and infrastructure within the central core of the city

Circulation — Goal CD-11 calls for the City to provide a safe and efficient circulation system that meets the needs of the community. This year, the City completed or initiated a number of Capital Improvement Projects (CIP) to implement this goal.

The Tracks at Brea is a multi-year CIP project consisting of a four-mile, dual-tread trail intended to provide connection between Brea's east and west sides helping achieve CD-2.3, CD- 3.1, CD-

10.3, CD-11.2, CD-12.5 and CD-13.2. In 2017 construction started on Segment 4, the last segment of six. Construction is expected to conclude in Spring, 2018. Upon completion of all six segments, the City looks forward to coordination with the City of La Habra on the westerly extension. The Tracks at Brea provides for an extensive, integrated, and safe bicycle, hiking and pedestrian network throughout the community and helps make Brea a pedestrian-friendly community.

Pursuant of CD-2.3 and CD-11.6 the City continued participation in the Regional Transportation Synchronized Signal System. This year the City synchronized traffic lights on 90% of the road network, improving vehicle congestion and traffic flow within the city. The City also continues annual traffic compliance and routine maintenance of the street network, ensuring the safety and mobility for all Breans.

Infrastructure - Efforts in infrastructure improvements are facilitated through the City's Capital Improvement (CIP) projects. During 2017, numerous street improvement and rehabilitation projects were performed, in keeping with Policy CD-14.2.

Among the projects completed this year is the pavement rehabilitation on Kraemer Boulevard and Lambert Road. The improvements included cold milling the existing pavement sections, resurfacing, removal and replacement of any failed pavement sections; utility cover adjustments; replacing damaged and uplifted sidewalk, curb, and gutter; reconstruction of ramps for ADA compliance, and improved traffic lane striping and markings. Traffic flow in the city was enhanced through the Central Avenue and Tamarack Intersection Improvement Project. The project widened the north side of Central Avenue, east of Tamarack Avenue to provide a dedicated westbound right turn lane. The improvements included modifying the traffic signal, and reconstruction of sidewalks, curb and gutter, and curb access ramps at the northeast corner of the intersection.

Growth Management – efforts continued toward Growth Management Goals by cooperating in the annual Congestion Management Plan update and being active in OCCOG, SCAG and other regional agencies, as prescribed by in Policies G-27.1 and G-28.1. In 2017, the City approved two applications for accessory dwelling units that help accomplish the vision expressed for Growth Management through Policy CD-27.4. Furthermore, the city adopted ZOA 17-02, an amendment pertaining to the provisions of accessory dwelling units, in keeping with state law. The amendment meets Policy HE-4 by easing restrictions in some development standards and parking requirements, removing governmental barriers and making accessory dwelling units a more feasible housing option in the City of Brea.

In keeping with Policies CD-26.3, CD-27.1, CD-27.4 and CD-27.5, CD-28.1, CD-28.2 and CD-28.3, Brea continued to actively participate in regional land use and transportation planning through the Southern California Association of Governments (SCAG), Orange County Transportation Authority (OCTA), Four Corners Group, Fourth District Bikeways Collaborative and Orange County Council of Governments (OCCOG). Staff is active on the Hillside Open Space Education Coalition and Orange County Senior Housing Council.

Economic Development – The City continues to maintain and facilitate the Business Retention and Attraction Program as called for in Goals CD-23, CD-24, and CD-25, through active participation in the Chamber of Commerce's Economic Development Committee, the North Orange County Partnership, and Business Outreach. The City continues to promote the Shop Brea Program, a community marketing effort to encourage Breans to shop locally. The program educates the community on how shopping in Brea benefits residents directly. The program features and highlight local business promotions and events through the Chamber of Commerce website and newsletters.

Further efforts to fulfill Economic Development goals include on-going coordination with the Chamber of Commerce to address the needs of existing and future businesses in the community. Staff meets with the Chamber of Commerce on monthly basis and continues to review codes, policies and implement practices to remove impediments in the system, encourage partnerships and to continue to be a business supportive community. The City also implemented the City/Business Connect program. This effort encourages an open dialogue with elected officials, city staff and local business owners and managers to discuss the business climate, strategize helpful solutions and better understand how the City can support our local business community. The program is designed to strengthen the City's relationship with local business and give local business the opportunity to engage with City leaders.

The City will explore new resources to be proactive in fostering economic development and affordable housing for our community. As required by state law, Attachment D details the City of Brea's (Housing Successor) fiscal activities during the 2017-2018 time period. The Policies contained in Goals CD-1, CD-4, CD-6 and CD-23 call for the use of redevelopment set-aside funds and other funding mechanisms to assist with the development of workforce housing. In 2017, \$3,904,419 was added to the Low and Moderate Income Housing Asset Fund. With the passage of Assembly Bills 26 and 1484, redevelopment agencies in California and Brea were dissolved. However, prior to this legislation there was significant progress in achieving workforce housing in Brea. The City, as Housing Successor to the redevelopment agency maintains waiting lists for both rental and ownership affordable housing. Currently, over 518 rental units are covered by affordable covenants.

The Neighborhood Enhancement Program continues as called for in Policy 1.12 with the administration of CDBG grants and loans for the improvement of low-income, owned, single family homes including mobile homes. In 2017, the City assisted in the complete rehabilitation of 11 homes.

Community Resources

The Parks, Recreation and Human Services Commission and Community Services staff ensured current needs and services of the Community in 2017. Policies CR-1.1 – CR-1.7 call for the creation of new park space with development proposals to increase the overall availability of parks for our growing community. A project worth noting is Central Park Village which began construction of the 1.5 acre privately owned publically accessible park called Central Park. The park is designed with a fountain plaza, splash pad, play area, bench seating and a restroom. Central Park incorporates unstructured play and passive recreation in a new large-scale residential development.

The City continues to achieve Policy CR-3.2 by maximizing the use of open space areas that are capable of supporting park-type activities by coordinating with Brea Olinda Unified School District for a school/park joint use concept that increase recreational resources. The city partnered with the School District on site improvements to the Lagos De Moreno Park. New and improved amenities included new turf, recreation and playground equipment, shade structure, restrooms, picnic tables, and new driveways and sidewalks.

Staff continues to encourage eligible property owners to utilize Mills Act loans and to place their property on the Historic Registry Listing, as called for in Policies CR-14.4 and CR-14.5. The Brea Historical Register currently has a total of 58 designations. The granting of the Historic Resource Designation is in accordance with General Plan Goal CR-14 and CR-15 by providing physical protection to a historic building and making the community aware of the importance of historic preservation.

Trails continue to be a priority to the City, as called for in the Policies and Goals of CR-7 and CR-8. The City has worked extensively with state and federal agencies to integrate planning and funding of recreation and trail facilities and to implement related General Plan Goals and Policies. As discussed under *Circulation*, segments 1 – 6 were completed this year and an expected expansion effort with the City of La Habra.

Policies CR-6.1-3, CR-6.6, CR-7.4 and CR-7.1-2 require development proposals to include improvements for an urban and walkway trail system including, but not limited to access points, landscaping, proper lighting, decorated accent paving materials, and other pedestrian improvements. The trail must ensure easy linkages to schools, commercial areas, cultural and social centers and other high pedestrian activity areas. In 2017, the infill, multi-family project, Trailview, was completed. This project is the first neighborhood trailhead connection via Orange Avenue to the Tracks at Brea Trail which provides the direct pedestrian access and bicycle connection to this community facility and broader active transportation network of Brea. The project helps achieve healthy and sustainable community-based upon the green building practices as prescribed in Policies CR-11.1, CR-1.4, CR-1.5 and CR-13.2

Ongoing efforts for the National Pollution Discharge Elimination System (NPDES) and a variety of storm water control system improvements were continued, as directed in Goals CR-11 and CR-12. Over 340 catch basins, storm drains and 110 miles of main sewer lines were cleaned. Water conservation was also enhanced by requiring the use of low water use plant materials for private development and using drought tolerant materials for public projects. The Community Center completed its landscaping improvements, replacing old vegetation with low water use species. Similar landscaping projects were conducted on Aurora Avenue as well as Lagos de Morena Park as a part of the effort to reduce water consumption in the City. Further, approximately 81 leak surveys were performed to assist residents and businesses to use less water which in return assists the City to meet the 20 percent water reduction goal by 2020.

Policy CR-9.3 calls for the City to preserve and restore the habitat value of creek corridors. In 2017 the City participated in Brea's 14th Inner Coastal Cleanup which consisted 111 volunteers removing debris from the Coyote Creek Watershed which discharges at Seal Beach, it was estimated that participants removed approximately 800 pounds of debris.

Policies CR-13.1 through CR 13.8 calls for the City to promote energy conservation and improve air and water quality impacts. The City continues to lead the way regionally through implementation of sustainability initiatives aimed at improving the quality of life in Brea. Efforts include implementation of the City's Sustainability Plan and Energy Action Plan and implementing online permitting for energy efficiency projects. The Sustainability Plan addresses energy conservation, encourages alternative modes of transportation to reduce emissions, cooperate with other public agencies, and encourages recycling.

The City of Brea remains committed to addressing its regional energy needs by encouraging higher sustainable levels. Sustainability promotions and financial programs offered jointly by the City and Western Council of Governments include Property Assessed Clean Energy (PACE) plans designed to assist residential property owners with many types of clean energy upgrades such as solar panels, cool roofs, window and door replacements, or irrigation and lighting control systems. Two additional financial programs – California FIRST and Figtree – assist commercial property owners with financing energy efficiency measures in their facilities. The City also continues to update the website with links to incentivize and educate the public on how to reduce greenhouse gas emissions and manage energy consumption. To encourage alternative modes of transportation and reduce emissions associated with automobile use, the City continues to implement Tracks at Brea as highlighted in the *Circulation* discussion. Finally, the City has streamlined building permitting procedures for small residential solar energy systems, in order to

help make the installation of rooftop solar energy systems more efficient and help promote renewable energy sources in the City of Brea.

Brea spearheaded the formation of the North Orange County Cities Energy Partnership along with Southern California Edison, Southern California Gas, The Energy Coalition, and the cities of Fullerton, La Habra, La Palma, Orange, Placentia, and Yorba Linda. The Partnership is a regional cluster of cities representing a population of nearly half a million residents over an area of approximately 81 square miles. To reward and encourage member cities toward more energy efficiency, the Partnership program offers larger rebates and incentives than those which are available to non-partnership cities. With Brea acting as the lead agency, the Partnership is focusing on achieving energy savings and behavioral changes in residential, commercial, and municipal sectors. The City is participating and contributing its share to those efforts by proper planning and participation in regional air quality managements programs.

Community Services

As expressed through Policy CS-1.1, the Brea Community Center (BCC) remains the focal point for ongoing community services supporting Brea residents of all ages. The annual attendance of the BCC is just over 450,000 people. Classes and programs offered at the BCC this past year included fitness and wellness programs, and group exercise for all ages, English as a Second Language (ESL), preventative medical screenings, and the “Hands on Brea” Volunteer Program. As called for in Policies CS-1.1 and CS-1.4, special emphasis is placed on Brea’s after school program for grade school ages, as well as a teen center for the teen population. The Student Advisory Board (SAB), located at the Teen Zone within the BCC, explores, designs, and implements a variety of activities including a Teen Summit. The summit is where they focus on leadership skills and community involvement. The City’s after school programs continue to operate with transportation for Brea’s youth to the BCC. The Brea Resource Center (also located within the BCC), as emphasized in Policy CS-1 provides extensive family support programs such as individual, couples and family counseling, support groups, case management, Medi-Cal and Food Stamp application assistance, Veterans services, homeless outreach services and holiday programs. The BCC is also home to early childhood education programs.

The Brea Senior Center provides home delivered meals to 36 home-bound seniors. This program is operated by volunteers. The Senior Center itself continues to offer a variety of programs and services to the local senior community, including art classes, games, computer tutoring, health screening, informative presentations, physical fitness classes, and the travel group. The senior nutrition program offers hot meals to seniors at the Center. Transportation services are available to and from the Center, along with weekly shopping trips. Case management services and resources are also available to residents.

General Plan Goal CS-8 indicates the creation of National recognition for Brea as an arts community. Ten art pieces were added to Brea’s Art in Public Places Collection, making a total of 177 sculptures integrated into the City’s built environment. Brea’s program continues to be one of the largest collections of outdoor sculptures in the nation. Installation of new sculptures and tours of Brea’s Art in Public Places Collection will continue to be provided in order to increase the exposure to the arts.

In keeping with Policy CS-6.1, The Curtis Theatre entertained approximately 60,000 guests in 2017, and is considered a major contributor to the City’s entertainment and restaurant business economy. The Theatre hosts a curated season of performing arts and entertainment, oversees a Youth Theatre Program with an annual registration of 515 children, and is home to a variety of businesses, non-profit organizations and churches through its rental program. The City also continues to provide live concerts and presentations in the City Parks.

Public Safety

The Brea Police and Fire Departments continue to enhance their services to our community through strategic deployment of personnel and utilization of resources. Both Departments work to ensure that City public safety services are of the highest quality (Goal PFS-1),

In keeping with Policy Goal PS-1.1, 1.7, 2.1, and 2.3 City staff meet regularly with the Police Department to identify impacts that new development will have upon police services and to ensure safety in public areas. The Brea Police Department is a standing member of the staff Development Team, providing police perspective on development throughout Brea, and department members periodically participate in the Plan Check process, providing input on public safety concerns. In 2017, the Police Department continued to be involved in the ongoing planning for the Rails to Trails project. The department also participated in discussions regarding safety and emergency response along the proposed trail route, in addition to addressing concerns of potential homeless encampments along the route. The department participates in working groups related to Parks operations and implementation of the Parks ordinance, and the department has active representation with the Traffic Committee.

PS-1.3 calls for the City to maintain and develop a community-based police strategy compatible with the needs and size of the community. The Brea Police Department meets this goal through its comprehensive crime analysis program. The Department's full-time Crime Analyst prepares weekly statistical analysis, working with the Patrol Area Commanders to identify strategies for intervention and apprehension. The Department's Budget Team, made of commanders and supervisors, meets quarterly to discuss effectiveness and problem solve in a collaborative environment. Should needs for an expansion or re-allocation of resources be identified, the department's Budget Team submits and advocates for those adjustments.

In accordance with PS-1.7 and PS-1.11, the Brea Police Department remained active in community outreach efforts and maximized the usage of volunteers. Community Watch programs continue to grow. The department implemented the full-time civilian position of Police Community Outreach Coordinator in an effort to improve and expand the means with which we communicate with the public. As a result, the department dramatically increased its numbers of 'followers' on various social media platforms, and began live streaming some events using applications such as Facebook Live. The department again published an Annual Report, providing residents, business people, and visitors to Brea information about the police department's organization and activities in 2016. Volunteer services remained very strong. The Brea Police Explorers and Volunteers in Police Service (VIPS) continued to provide several thousand hours of volunteer service to the City. The department also conducted its annual Citizen Academy to provide members of the Brea community a closer look at how the department is organized and functions. The department staffs a full-time School Resource Officer (SRO) to work at Brea Olinda Unified School District high schools. The SRO also taught a vocational course at the Laurel Magnet School.

Modern technology and equipment are vital to effective Public Safety, as recognized in PS-1.2. In 2017, the Police Department upgraded the Computer Aided Dispatch and Records Management System (CAD/RMS) and is expected to be complete by 2018. A new voice recognition dictation system was implemented to streamline the police reporting process. Concurrently, the Brea Fire Department added additional capabilities to their new Motorola APX radios, improving communication and response. The new technology includes encryption key, front panel programming, and over the air programming capabilities. Additionally, the introduction of an automatic security gate at Fire Station 3 has improved the overall safety of the fire stations.

The Fire Department continues to implement PS-1.7 and PS-1.11 through its annual Open House in conjunction with Brea Public Works. The department also involved itself in the community,

participation in Brea High Schools Fire/Police Challenge, as well as the annual Spark of Love Campaign, collecting over 20 boxes of toys throughout the City. Fire staff also volunteered for this year's Career Exploration at Laurel Magnet Elementary school, and has conducted 33 Station Tours to increase public awareness of fire safety and prevention. Goals PS-4.1 and PS-5 calls for Hazards Management cooperation with federal, state, and local agencies to effectively regulate the management of hazardous materials and hazardous waste. The Fire Department continues to provide education and information to the community about: commonly used hazardous materials, more environmentally friendly alternative; safe recycling and disposal, ethos and the location of nearest household hazardous waste collection center.

The Brea Fire Department ensures disaster preparedness for City employees in accordance with PS-1.9. In 2017 the Emergency Preparedness Coordinator organized numerous training opportunities and evacuation drills at City facilities, as well as a National Preparedness Month in which employees were provided information and resources to assist preparing at home and at their workplace. The Community Emergency Response Team (CERT), led by the Brea Fire Department, educates residents about disaster preparedness for hazards that may impact their area and trains them in basic disaster response. There are over 3,050 CERT trained members in Orange County and 90 active members in the City of Brea. This year CERT members played a key role in fire watch during high Santa Ana Wind activity.

PS-6.1 calls to protect the community from wild land fires. The Fire Department has been able to meet this goal through the continued implementation of the Weed Abatement Enforcement Program and compliance with the Very High Fire Hazard Areas code requirements for new residential construction. Examples of the Very High Fire Hazard Areas are Olinda Village and Blackstone. Further, all new homes are required to be equipped with automatic fire sprinklers – permits, plan check, and inspections have increased accordingly to ensure the safety and wellbeing of all development within the City.

PS-1.4 calls to fund appropriate levels of fire personnel, staff, and equipment to maintain a four to six minute response time. The department invested in new and existing personnel this year, sending two firefighters to Paramedic School and hiring an additional fire prevention specialist. In keeping with PS-1.4 the Fire Department was able to respond to 5,420 calls for emergency fire or medical service, and conducted more than 2,943 fire inspections in 2017.

Appendix A

IMPLEMENTATION GUIDE

THE CITY OF
BREAA

GENERAL PLAN

Appendix A

IMPLEMENTATION

GUIDE

The General Plan Implementation Guide provides a guide to implement adopted General Plan policies and plans for City elected officials, staff and the public. The purpose of the Implementation Guide is to ensure the overall direction provided in the General Plan for City growth and development is translated from general terms to specific actions.

Each implementation measure is a program, procedure, or technique that requires additional City action. This action may either occur on a City-wide basis, or in individual subareas. Some of the implementation measures are processes or procedures the City currently administers on a day-to-day basis (such as development project review), while others identify new programs or projects that will become day-to-day planning activities in Brea. The City Council, by relating the Implementation Guide to the General Plan, recognizes the importance of long-range planning considerations and budgeting to such day-to-day activities. Implementation of the specific programs will be subject to funding constraints.

The Implementation Guide is organized into five subsections that correspond to the General Plan Chapters. Each of the subsections is comprised of programs that directly relate to the policies and plans of the corresponding General Plan element.

Use of the General Plan Implementation Guide

The Implementation Guide is intended for use as the basis for preparing the Annual Report to the City Council on the status of the City's progress in implementing the General Plan, as described in Section 65400 of the California Government Code. Because many of the individual actions and programs described in the Implementation Guide act as mitigation for significant environmental impacts resulting from planned development identified in the General Plan, the annual report can also provide a means of monitoring the application of the mitigation measures as

required by AB 3180. This Implementation Guide should be updated annually with the budget process and whenever the City's General Plan is amended or updated to ensure continued consistency and usefulness.

Community Development
Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
SECTION I: LAND USE									
Citywide									
CD-1.1 CD-1.2 CD-1.4 CD-1.5 CD-1.9 CD-1.11 CD-4.4 CD-6.6	Revise the zoning ordinance and map to reflect the adopted Land Use Policy Map, and implement the updated ordinance and map over time. Use redevelopment set-aside funds and other funding mechanisms to assist with the development of work force housing.	Development Services Economic Development	General fund Redevelopment	By the end of 2004; Ongoing

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
CD-10.4 CD-10.6	Create a special study area for Carbon Canyon Road to analyze local and regional impacts and alternatives to improve congestion on this roadway.	Community Development	General fund	Complete 2005					
Local Circulation System									
CD-10.5	<p>Work closely with OCTA to amend the Master Plan of Arterial Highways as follows:</p> <ul style="list-style-type: none"> ▪ Reclassify Puente Avenue and Whittier Boulevard as a Collector Arterial. This modification accurately represents the function of this roadway. ▪ Reclassify Brea Canyon Boulevard (north of Lambert Road) as a Collector. The Collector classification best reflects the function Brea Canyon Boulevard serves during most travel hours. Only during the evening commute does the roadway experience heavy use, typically as an alternative to the crowded SR-57 freeway. The City will preserve right-of-way adequate for a Minor Arterial, but the Collector designation indicates the anticipated roadway function. ▪ Reclassify South Brea Boulevard (south of Imperial Highway) as Primary Arterial. This modification preserves right-of-way consistent with a Major Arterial standard but indicates the City's intention to maintain no more than two travel lanes in each direction. The land use plan provides for South Brea Boulevard to be a mixed-use, pedestrian-friendly district. The wide right-of-way will provide space for on-street parking, pedestrian enhancements, ample landscaping, and street-oriented development. ▪ Eliminate Tonner/Valencia Avenue (north of Lambert Road) as Proposed Primary Arterial. Land use policy north of Lambert Road does not support the MPAH alignment, nor does planned densities require a roadway of this size. 	Community Development , OCTA	General fund	Complete MPAH by 2004					
CD-11.1 CD-11.2 CD-11.4 CD-11.7 CD-6.3	Implement the circulation system in the planning area in concert with land development to ensure adequate levels of service and monitor the operation of major streets. Future roadways must meet roadway classification specifications and performance criteria. As traffic approaches the Level of Service standards established in the Circulation Section, roadway capacity will be improved by adding through and turn lanes and other transportation measures according to the Arterial Highway Plan.	Community Development	General fund, Measure M revenue, Development fees, Other State and Federal sources, Gas tax revenue	Ongoing					
CD-11.1 CD-13.1	Establish a capital improvement program to address phasing and construction of traffic improvements and capital facilities throughout the planning area. Utilize the Capital Improvement Program (CIP) process to finance and complete the roadway and bikeway improvements specified in the Circulation Section. Update the Capital Improvement Program annually to respond to changes in local priorities and available funding sources.	Community Development	Capital Improvement Program (CIP) funds, Gas tax revenues, Federal Transportation funds	Ongoing					
CD-11.5 CD-11.9 CD-6.4	Revise and/or adopt street design standards, focused on pedestrian and bicycle safety, landscaping, traffic calming, and neighborhood character. If requested by the OCTA, consider requiring (and require developers to provide) bus loading areas or turnouts for buses.	Community Development, OCTA	General fund	Ongoing

CS-5.1 CS-5.11	Prepare a Cultural Arts Master Plan.	Community Services Department	General Fund	Complete Plan by end of 2005					
CS-5.2	Work with the Brea Historical Society to establish criteria to include more representation of Brea's history and historical resources in arts programs and public art.	Community Services Department,	General fund, Development fees	On-going					
CS-5.2 CS-5.9	Explore new and creative methods for capturing and preserving the cultural heritage of the community, such as oral history programs and videotapes.	Community Services Department	General Fund	2005					
CS-5.3	Continue to integrate the fine arts into the After School Program. Continue to establish art internships.	Community Services Department	General Fund	On-going					
CS-5.3 CS-5.7	Cooperate with the Brea Olinda Unified School District, local private schools and colleges to increase art education in Brea.	Community Services Department , Brea Olinda School District	General fund, School District funds	On-going					
CS-5.4	Develop an art recognition or awards program to recognize local artists.	Community Services Department	General Fund	Establish program by end of 2005					

Community Services
Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
CS-5.5	Develop opportunities for live/work “artist loft” housing for artist through zoning, regulatory incentives and funding. Restrict these units for use by local artists.	Community Services Department, Development Services	General Fund	Explore development of program by end of 2005. Implement as needed.					
CS-5.6	Adopt a plaque program to recognize culturally important and heritage sites. Continue implementation of the Art Shelter program for public bus stops. Develop program objectives and provide detailed standards and guidelines for the installation of public art, with an emphasis on the relationship between local history and public art. Address issues of artist selection, project siting, funding, etc. There should be close coordination with the Streetscape Standards & Guidelines and the Environmental Graphics Program.	Community Services Department	General Fund	Develop of program by 2006 On-going Develop program by 2006					
CS-5.8	Examine possible private/public partnerships to further cultural arts awareness and programs.	Community Services Department	General Fund	On-going					
CS -5.11	Consider developing an ‘arts shuttle’ similar to the arts shuttle in Laguna Beach and Pasadena that provides transportation to different venues in Brea.	Community Services Department, Development Services	General Fund	Explore feasibility of shuttle by 2005.					
CS-5.12	On a periodic basis, poll the community to identify demand for cultural arts programs and to determine whether needs/desires are being met.	Community Services Department	General Fund	Develop survey by end of 2004. Poll community every two years.					
CS -6.1	Continue to utilize and promote the Curtis Theater, Brea Gallery, and the Community Center for cultural art venues.	Community Services Department	General Fund	On-going					
CS-6.2	Develop joint-use agreements with the Brea Olinda School District for the sharing of performance and exhibit spaces.	Community Services Department, Brea Olinda School District	General Fund	Begin development of agreements by 2004					
CS-6.3 CS-6.3	Examine opportunities within existing structures and new development for the exhibit spaces or performance venues.	Community Services Department, Development Services	General Fund	2005					
CS- 7.2	Encourage Brea talent to apply for grants for public art creation and programs.	Community Services Department	General Fund	On-going					
CS-7.1 CS- 8.1	Apply for state, federal, local and private grants to increase participation and promote Brea’s cultural arts programs.	Community Services Department	General Fund	2005 and as needed					
CS-7.3	Encourage City staff to volunteer at City-sponsored arts events.	Community Services Department, City of Brea	General Fund	On-going					
CS-7.2 CS--8.1	Work with non-profit, private and community organizations to provide funding, volunteer and exposure for cultural arts activities. Explore the development of a community or privately sponsored plaque or mural program.	Community Services Department	General Fund	On-going					

Public Safety
Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
SECTION XVIII: EMERGENCY SERVICES AND SAFETY									
PS-1.1	Ensure that city staff continues to meet with the Brea Police Department to identify community needs, issues and any impacts that new development might have on police services. Evaluate the need for additional police facilities to serve new development.	Police Services	General fund	Ongoing					
PS-1.2	Coordinate with the Brea Fire and Police Department to determine the need and applicability of new technology and equipment in Brea.	Police Services, Fire Services	General fund	Ongoing					
PS-1.3	Evaluate the number of officers, total population, and crime statistics to ensure that appropriate levels of police protection are provided citywide.	Police Services	General fund	Ongoing					
PS-1.4	Fund appropriate levels of fire personnel, staff, and equipment, to maintain a four- to six-minute emergency response time for fire emergencies.	Police Services, Fire Services	General fund	Ongoing					PS-6.2
	Utilize wildland urban fire hazard mitigation techniques involving vegetation modification including chipping, scattering, multi-cutting, crushing, pruning and other non-fire hazard abatement concepts.	Development Services, Fire Services	General fund	Ongoing					PS-6.2 PS-6.3
PS-1.5	Require new development to pay for increased fire protection as necessitated by a particular development..	Development Services, Fire Services	General fund	Ongoing					
PS-1.6	Require the installation of sprinkler systems in all buildings that are not readily accessible to fire-fighting equipment and apparatus or do not meet minimum fire flow and fire hydrant requirements.	Development Services, Fire Services	General fund	Ongoing					
	Inspect water hydrants and conduct fire-flow tests on an annual basis, with priority given the high-fire-hazard areas.	Fire Services	General fund	Ongoing; Annually					
PS-1.7	Continue active community oriented policing programs such as the Brea Bicycle Patrol program and the Community Action Patrol. Require the participation of the Police Department in the development review process relative to building and site plan vulnerabilities to criminal activity and suggested design criteria to mitigate such vulnerabilities.	Police Services	General fund	Ongoing					
PS-1.8 PS-1.2	Coordinate with the Brea Fire and Police Department to determine the need and applicability of new technology and equipment in Brea.	Police Services, Fire Services	General fund	Ongoing					
PS-1.9	Biannually evaluate the City's emergency preparedness program to ensure that the City has adequate police, fire and protection services in event of an emergency.	Police Services, Fire Services, Development Services	General fund	Biannually					
PS-1.10	Conduct annual mailings to Brea residents through utility bills that explain the City's Emergency Response Plan, Brea Emergency Operations Center, and appropriate procedures and numbers to call in the event of a disaster.	Police Services, Fire Services, Development Services	General fund	Annually					
PS-1.11	Coordinate with the Brea Police Department to increase public awareness about criminal activity and crime prevention. Maximize the use of after school programs, volunteer programs, Neighborhood Watch programs and other community oriented policing programs.	Police Services	General fund	Ongoing					
PS-1.12	Develop and maintain crime prevention guidelines for building construction. Provide these guidelines to police and code enforcement personnel.	Police Services, Development Services	General fund						
Crime Prevention Through Environmental Design (CPTED)			General fund						
PS-2.1	Implement crime prevention through environment (CPTED) design, based upon the concept of defensible space with the establishment of specific design criteria, and the application of that criteria to proposed projects through the development review process. Establish funding sources and priorities, and set forth a phased improvement program.	Police Services, Development Services	General fund						
PS-2.2	Enforce natural surveillance techniques for existing projects and new residential and commercial projects.	Police Services, Development Services	General fund	Ongoing					

Public Safety

Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
PS-2.3	Require the participation of the Police Department in the development review process for public areas relative to building and site plan vulnerabilities to criminal activity and suggested design criteria to mitigate such vulnerabilities.	Police Services, Development Services	General fund	Ongoing					
PS-2.4	Examine and maintain a database of structures within the City that are at risk of incidence of or crime. Develop an implementation strategy based upon CPTED design techniques.	Police Services, Development Services	General fund						
Pedestrian Safety									
PS-3.1	Develop objectives, and detailed standards and guidelines for the treatment of public streetscapes to improve safety and walkability. Recommendations should address street trees, street lighting, street furniture, traffic calming, and other pertinent issues. Establish funding sources and priorities, and set forth a phased improvement program.	Development Services	General fund		CD-12.2		CR-7.1 CR-7.2 CR-7.5		
PS-3.2	Require that adequate safety lighting in pedestrian and parking lots is addressed for all new projects through the development review process.	Development Services	General fund	Ongoing	CD-12.2		CR-7.1 CR-7.2 CR-7.5		
PS-3.3	Develop appropriately designed shielding safety lighting for pedestrian walkways and trails. Establish an implementation plan for development of lighting installation.	Development Services	General fund		CD-12.2		CR-7.1 CR-7.2 CR-7.5		
SECTION XIX: HAZARDS MANAGEMENT									
PS-4.1	Minimize public health and environmental risks from the use, transport, storage and disposal of hazardous materials with the following approaches: <ul style="list-style-type: none"> Cooperate with federal, state and local agencies to effectively regulate the management of hazardous materials and hazardous waste; Cooperate with the County of Orange to implement applicable portions of the County Hazardous Waste Management Plan and the Hazardous Materials Area Plan; Identify roadway transportation routes for conveyance of hazardous materials; Implement the emergency response plan for accidents involving hazardous materials; and Cooperate with the Certified Unified Program Agency (CUPA) for the City of Brea (the Orange County Environmental Health Department) and the Orange County Fire Authority to administer risk management plans for businesses within the City. 	Development Services, Maintenance Services, County of Orange, Federal and State Agencies	General fund, federal, state and local regulatory agencies	Ongoing					
PS-4.2	Monitor businesses that transport, handle, and generate hazardous materials to ensure proper disposal.	Development Services, Maintenance Services	General fund	Ongoing					
PS-4.3	Cooperate with the County Household Hazardous Waste Program to protect residents from dangers resulting from the use, transport and disposal of hazardous materials used in the home. The program includes public education about health and environmental hazards of household hazardous materials and periodic collection campaigns at established sites. Educate residents of the nearest location of a hazardous waste disposal site.	Development Services, County of Orange, Environmental Health Department	General fund	Ongoing					
PS-4.4	Provide education and information to the community about: <ul style="list-style-type: none"> Commonly used hazardous materials; More environmentally friendly alternatives; Safe recycling and disposal methods; and Location of nearest household hazardous waste collection center. 	Development Services, County of Orange	General fund	Ongoing					
PS-5.1 PS-5.2	Cooperate with the California Department of Conservation, Division of Oil, Gas, and Geothermal Resources to protect residents from dangers resulting from the drilling, operation, maintenance, and abandonment of oil, gas, and geothermal wells and support regulations regarding abandoned oil facilities including both idle and orphan wells.	Development Services, California Department of Conservation-Division of Oil, Gas, and Geothermal Resources	General fund	Ongoing					PS-5.2
PS-5.3	During review of development proposals, require comprehensive investigation, studies, disclosures, and remediation of any former oil field property proposed for an alternative use.	Development Services	Development fee	Ongoing					
SECTION XX: WILDLAND FIRES									

Public Safety
Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
PS-6.1	Continue to implement the Very High Fire Hazard Area Requirements and the Fuel Modification Plan Guidelines for High Fire Hazards Areas as a preventative measure to avert wildland fires.	Development Services, Fire Services	General fund	Investigate by end of 2005; implement as needed					
PS-6.2 PS-6.3	Promote fire prevention in Brea in the following ways: <ul style="list-style-type: none"> Work closely with the Orange County Fire Authority to implement fire hazard education and fire prevention programs, including fuel modification programs; Utilize wildland urban fire hazard mitigation techniques involving vegetation/fuel modification including chipping, scattering, multi-cutting, crushing, pruning and other non-fire hazard abatement concepts. Coordinate with the local water districts and Orange County Fire Authority to ensure that water pressure for urban and hillside areas and sites to be developed is adequate for fire fighting purposes; and Adopt and implement the Uniform Fire Code provisions and appropriate amendments to reflect the unique Brea topography, climate, vegetation and urban form. 	Development Services, Fire Services	Development fees	Ongoing					PS-6.3
PS-6.2	Review development proposals to ensure that the City's four to six-minute fire response time is undertaken.	Development Services, Fire Department	Development Fees	Ongoing					
Flood Concerns									
PS-7.1 PS-7.2 PS-7.6	Coordinate with the Orange County Flood Control District (OCFCD) to ensure regularly scheduled maintenance of flood control channels and completion of necessary repairs. Coordinate with the OCFCD, Cal Domestic Water Company and Metropolitan Water District (MWD) regarding any needed improvements to existing aboveground water tanks. In addition, work with the District to identify new flood control improvements for existing flood hazards and potential hazards from new development, and establish installation programs for improvements. Require detention basins for new development, where necessary, to reduce flooding risks. Continue to participate in the National Flood Insurance Program (NFIP) administered through the Federal Emergency Management Agency (FEMA). The NFIP program provides federal flood insurance subsidies and federally financed loans for property owners in flood-prone areas.	Development Services, Orange County Flood Control District, Cal Domestic Water Company, Metropolitan Water District (MWD)	Development fees, General fund	Ongoing					PS-7.2 PS-7.6
PS-7.3 PS-7.5	Create an active storm drain inspection program in order to prevent flooding, avoid property damage, and protect surface water quality. Allow the program to evaluate and monitor water storage facilities that might pose an inundation hazard to downstream properties.	Development Services	General fund	Establish program by end of 2007					PS-7.5
SECTION XXII: GEOLOGIC AND SEISMIC CONSIDERATIONS									
PS-8.1 PS-8.2	To minimize damage from earthquakes and other geologic activity, implement the most recent state and seismic requirements for structural design of new development and redevelopment. Where geologic instability can be identified and cannot be mitigated, or presence of faulting is identified, use open space easements and other regulatory techniques to prohibit development and avoid public safety hazards.	Development Services	Development Fees, General fund	Ongoing					PS-8.2

Public Safety
Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
PS-8.3	During review of development and redevelopment proposals, require surveys of soil and geologic conditions by state licensed Engineering Geologists and Civil Engineers where appropriate. Examples of when these surveys are required are (1) for projects within a State-delineated earthquake fault regulatory zones for liquefaction, fault ruptures, and seismically induced landsliding, in accordance with the California Geologic Survey and (2) prior to the development of any area with slopes more than 10 feet high at a gradient equal to or steeper than 2:1.	Development Services	Development fees	Ongoing					
PS-8.4	Develop informational overlays that augment the City's zoning ordinance to identify those areas where more detailed geotechnical studies should be carried out as part of liquefaction-susceptibility investigation, restrict development in liquefaction-prone areas, or to establish specific building design standards aimed at reducing the risk of liquefaction.	Development Services	Development fees, General fund	By the end of 2004					
PS-8.5 PS-8.6	Promote earthquake preparedness in the community with periodic earthquake awareness programs. The program could include mailing brochures to residences and businesses, press releases, school education programs and presentations to homeowner groups and property managers. Coordinate programs with Federal, State, and local emergency service providers and the school districts to maximize public participation.	Development Services, Brea-Olinda Unified School District	General fund	Ongoing					
SECTION XXII: NOISE									
PS-9.1 PS-9.4 PS-9.5, PS-11.4	Ensure that new development is exposed to acceptable noise levels. Require acoustical analyses for all proposed development within the 60 dB CNEL contour as shown on Figure N-1 in the Noise Element. Also require acoustical analyses for all proposed residential projects in the vicinity of existing and proposed commercial and industrial areas. Where the noise analyses indicate that the noise standards in Table N-2 will be exceeded, require noise control measures to be incorporated into the proposed development to reduce noise to acceptable levels. Noise control measures may include berms, walls, and sound attenuating architectural design and construction methods. Only permit new development if the noise standards and the City noise regulations can be met.	Development Services	Development fees	Ongoing					PS-9.4 PS-9.5 PS-11.4
PS-9.2	Continue to enforce the City noise regulations to protect residents from excessive noise levels from stationary sources. The regulations provide protection from non-transportation related noise sources such as music, machinery, pumps, and air conditioners on private property. Periodically evaluate regulations for adequacy and revise, as needed, to address community needs and changes in legislation and technology.	Development Services	General fund	Ongoing					
PS-9.3 PS-9.5	Use noise and land use compatibility standards to guide future planning and development decisions. Table PS-6 in the Noise Element summarizes the standards for acceptable noise levels by land use types. Table PS-6 in the Noise Element provides criteria for assessing the compatibility of future development with the noise environment. Review development proposals to ensure that the noise standards and compatibility criteria are met. Require mitigation measures, where necessary, to reduce noise levels to meet the noise standards and compatibility criteria.	Development Services	Development fees, Mitigation payment	Ongoing					PS-9.5
PS-9.4	All City departments and agencies will comply with local, state and federal noise standards, including state and federal OSHA standards. All new equipment or vehicle purchases will comply with local, state and federal noise standards. Such equipment includes compressors, air conditioners, leaf blowers and other fixed and mobile machinery. Purchase noise-producing equipment with the necessary noise abating equipment installed. Reduce the noise impacts associated with City services acquired through contracts with other public and private entities, such as street sweeping, solid waste removal and transport, landscaping maintenance, construction projects and emergency services.	Development Services	General fund	Ongoing					
PS-9.5 PS-11.5	Limit delivery or service hours for stores with loading areas, docks or trash bins that front, side, border, or gain access on driveways next to residential and other noise sensitive areas. Only approve exceptions if full compliance with the nighttime limits of the noise regulations are achieved.	Development Services	General fund	Ongoing					PS 11.5

Public Safety

Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
PS-10.1 PS-10.2	Mitigate noise impacts to acceptable levels from transportation activity to enhance the quality of the community. Incorporate noise control measures, such as sound walls and berms, into roadway improvement projects to mitigate impacts to adjacent development. Request Caltrans and the Orange County Transportation Corridor Agencies (OCTA), as well Los Angeles Metropolitan Transit Authority (MTA) to provide noise control for roadway projects within the City and Sphere of Influence. Particularly, advocate reducing noise impacts from the SR-57.	Development Services	General fund, OCTA, Federal grants	Ongoing					PS-10.2
PS-10.1	Coordinate with the Orange County Sheriff's Department and the California Highway Patrol to enforce the California Vehicle Code pertaining to noise standards for cars, trucks, and motorcycles.	Development Services	General fund	Ongoing					
PS-11.1	Provide written information describing methods of retrofitting existing structures and properties to reduce noise impacts, including sound insulation, double-pane glass windows, sound walls, berming and other measures.	Development Services	General fund	Ongoing					
PS-11.2	Enforce the provisions of the State of California Noise Insulation Standards (Title 24) that specify that indoor noise levels for multi-family residential living spaces shall not exceed 45 dB CNEL. The Title 24 noise standard is defined as the combined effect of all noise sources and is implemented when existing or future exterior noise levels exceed 60 dB CNEL. Title 24 requires that the standard be applied to all new hotels, motels, apartment houses and dwellings other than single-family dwellings. Also apply the standard to single-family dwellings and condominium conversion projects as official policy.	Development Services	Development fees, Mitigation payments	Ongoing					
PS-11.3	Require all construction activity and special events to comply with the limits established in the Noise Control Ordinance. Review the Noise Control Ordinance for adequacy and amend as needed to address community needs and development patterns.	Development Services	Development fees, General fund	Ongoing, Revise ordinance by end of 2004					

**Table HE-44
Housing Implementation Program Summary**

Housing Program	Program Goal	2014-2021 Objective/ Time Frame	Funding Source(s)	Responsible Department or Agency
Maintaining Existing Housing Quality and Affordability				
1. Single-Family Rehabilitation Program	Provide loans to lower income homeowners to help them rehabilitate their homes.	Issue an average of 15-18 loans and grants on an annual basis, with a goal to assist 130 households over the planning period.	CDBG; HOME	Community Development Department
2. Rental Rehabilitation and Assistance Program	Provide rehabilitation and refinancing loans to owners of rental properties.	Inform apartment owners about the program, and pursue expanded resources for implementation.	HOME; Housing Trust Fund; other outside sources	Community Development Department
3. Multi-Family Acquisition and Rehabilitation	Upgrade deteriorated apartment buildings, and provide long-term affordable rental housing.	Identify deteriorated apartments, cooperate with non-profits to secure funds to acquire & rehabilitate units.	HOME; Housing Trust Fund; Low Income Housing Tax Credits; other outside sources	Community Development Department
4. Preservation of Assisted Housing	Preserve the existing affordable rental stock at-risk of conversion to market rents.	Contact property owners of at-risk projects. Provide preservation incentives; work with priority purchasers; coordinate tenant education.	HOME; Housing Trust Fund; other State and Federal funds	Community Development Department
5. Section 8 Rental Assistance Program	Provide rental subsidies to extremely low and very low-income households.	Maintain current levels of assistance and direct eligible households to the program. Encourage landlords to register units with the County.	HUD Section 8	Community Development Department; Orange County Housing Authority
Provision of New Affordable Housing				
6. Affordable Housing Ordinance	Integrate housing affordable to low- and moderate-income households within market rate developments.	Continue to implement Ordinance to achieve affordable units, and generate in-lieu fee revenues.	Housing Trust Fund	Community Development Department
7. Affordable Housing Development Assistance	Facilitate affordable housing development by for-profit and non-profit housing developers/corporations.	Provide financial and regulatory incentives for affordable housing, with particular consideration given to projects with units for ELI and other difficult to serve groups.	Housing Trust Fund; Co. of Orange RFPs; State MHP grants; Low Income Housing Tax Credits; Housing Asset Fund	Community Development Department

Housing Program	Program Goal	2014-2021 Objective/ Time Frame	Funding Source(s)	Responsible Department or Agency
Provision of Adequate Housing Sites				
8. Land Use Element and Sites Inventory	Provide adequate sites for future housing development consistent with regional housing needs.	Maintain a current inventory of residential and mixed use sites and provide to developers along with information on available development incentives. Maintain inventory on City's website.	General Fund	Community Development Department
9. Mixed Use/ High Density Opportunity Sites	Provide expanded opportunities for mixed use and high density residential development.	In conjunction with the focused General Plan update in 2014, evaluate re-designation of one or more of four identified sites and/or other sites.	General Fund	Community Development Department
10. Creation of Higher Density Residential Zoning	Provide for higher density residential zoning to facilitate affordability in multi-family development.	Evaluate establishing a new R-3H zone and identify suitable locations for designation as part of General Plan update in 2014.	General Fund	Community Development Department
11. Second Units	Promote second units in new and existing housing as a form of affordable, multi-generational housing.	By 2015, re-evaluate existing second unit development standards and amend accordingly. Prepare educational brochure, and sample second unit site plans.	General Fund	Community Development Department
12. Publicly-Owned Land for Affordable Housing	Provide expanded sites for affordable housing on surplus or underutilized public land.	In 2014, prepare inventory of publicly owned land, and evaluate modifying the P-F zone to accommodate residential uses.	General Fund	Community Development Department
13. Annexation of Sphere of Influence	Increase the City's capacity to accommodate future housing growth.	Pursue phased annexation of the Sphere of Influence consistent with infrastructure capacities.	General Fund	Community Development Department

Housing Program	Program Goal	2014-2021 Objective/ Time Frame	Funding Source(s)	Responsible Department or Agency
Removal of Governmental Constraints				
14. Regulatory Incentives	Facilitate the production of affordable housing through provision of regulatory incentives.	Continue to offer incentives for affordable housing. Provide a waiver via payment through the City Housing Trust Fund, of application fees for prevailing wage projects with a minimum 10% ELI units.	Housing Trust Fund	Community Development Department
15. Affordable Housing Incentives in Mixed Use Zones	Provide incentives for inclusion of lower income units in MU-I and MU-II zone districts.	Amend the Code in 2015 to eliminate discretionary review for stand-alone residential projects in MU-I and MU-II zones that incorporate 15% lower income units.	City Housing Trust Fund	Community Development Department
16. Multi-family Development in Multi-family Zones	Encourage efficient use of multi-family and mixed use zoning, and discourage single-family development in these districts.	In 2015, establish standards in the Zoning Code to promote exclusively multi-family development in R-3 and mixed use zoning districts.	General Fund	Community Development Department
17. Multi-family Design Guidelines	Provide upfront direction to developers on the desired character of multi-family development in Brea.	Develop Multi-Family Design Guidelines in 2015 which address development compatibility and sustainable site design and building practices.	General Fund	Community Development Department
18. CEQA Exemptions for Infill Projects	Utilize allowable CEQA exemptions for qualified urban infill and other qualifying residential projects.	Continue to utilize categorical CEQA exemptions where appropriate, on a case-by-case basis.	General Fund	Community Development Department
19. Efficient Project Processing	Provide efficient development processing procedures to reduce the cost of development.	Continue to offer streamlined development processing, and periodically review procedures to ensure efficiency	General Fund	Community Development Department

Housing Program	Program Goal	2014-2021 Objective/ Time Frame	Funding Source(s)	Responsible Department or Agency
Equal Housing Opportunities and Special Needs				
20. Fair Housing Program	Further fair housing practices in the community.	Continue to promote fair housing practices and refer fair housing complaints to the Orange County Fair Housing Council. Provide educational information on fair housing to the public.	General Fund	Community Development Department; Orange County Fair Housing Council
21. Housing Accessibility	Expand accessible housing options to persons living with disabilities.	Implement reasonable accommodation procedures; encourage Universal Design in new development; provide rehabilitation grants for accessibility improvements.	General Fund; CDBG	Community Development Department; Community Services Department
22. Senior Housing Opportunities	Support a range of housing options to address the diverse needs of Brea's growing senior population.	Beginning in 2015, consult with senior housing and gerontology experts to assist in adequately planning for the community's senior citizens.	General Fund; HOME; Housing Trust Fund; Housing Successor Fund; Low Income Housing Tax Credits; other outside sources	Community Development Department; Community Services Department
23. Housing Opportunities for Persons Living with Developmental Disabilities	Support a range of housing options for persons with developmental disabilities.	Work in cooperation with the OCRC to publicize information on available resources for housing and services. Pursue State and Federal funds available for supportive housing and services in future affordable housing projects.	General Fund; HOME; Housing Trust Fund; Low Income Housing Tax Credits; Mental Health Services Act (MHSA) funds; other outside sources	Community Development Department; Community Services Department
24. Veteran and Homeless Assistance	Promote housing and supportive services for veterans.	Host the Veterans Service Office; provide priority assistance under Brea's Affordable Housing Ordinance; support passage of AB 639 to provide expanded financial resources for veterans housing.	General Fund; Veterans Housing and Homeless Prevention Act (AB 639) funds; available Housing Trust Funds	Community Development Department; Community Services Department

Housing Program	Program Goal	2014-2021 Objective/ Time Frame	Funding Source(s)	Responsible Department or Agency
Sustainability, Energy Efficiency and Healthy Community				
25. Prioritization of Sustainable Housing Projects	Prioritize sustainable housing developments in sustainable locations for their numerous benefits.	Beginning in 2014, prioritize projects in sustainable locations competing for funds and grants.	General Fund; State and Federal Grants; other potential affordable housing resources	Community Development Department
26. Green Building	Promote green building practices for more sustainable housing.	Provide outreach and education to developers and residents regarding CALGREEN, and ways to incorporate sustainability in project design and existing structures.	General Fund	Community Development Department
27. Energy Conservation	Evaluate and implement activities to support clean energy and energy efficiency solutions in Brea's housing.	Implement actions for clean energy and energy efficiency.	General Fund	Community Development Department
28. Healthy Community	Foster community health through land use planning and support for initiatives that promote a more active lifestyle.	By 2014, initiate an educational campaign on local opportunities for residents to stay active and improve their health. Support a built environment that encourages physical activity and reduces automobile travel.	General Fund	Community Development Department; Community Services Department

**HOUSING SUCCESSOR ANNUAL REPORT
REGARDING THE
LOW AND MODERATE INCOME HOUSING ASSET FUND
FOR FISCAL YEAR 2016-17
PURSUANT TO
CALIFORNIA HEALTH AND SAFETY CODE SECTION 34176.1(f)
FOR THE
CITY OF BREA**

This Housing Successor Annual Report (Report) regarding the Low and Moderate Income Housing Asset Fund (LMIHAF) has been prepared pursuant to California Health and Safety Code Section 34176.1(f) and is dated as of December 21, 2017. This Report sets forth certain details of the CITY OF BREA (Housing Successor) activities during Fiscal Year 2016-17. The purpose of this Report is to provide the governing body of the Housing Successor an annual report on the housing assets and activities of the Housing Successor under Part 1.85, Division 24 of the California Health and Safety Code, in particular sections 34176 and 34176.1 (Dissolution Law).

The following Report is based upon information prepared by Housing Successor staff and information contained within the independent financial audit of the Low and Moderate Income Housing Asset Fund of the CITY OF BREA for Fiscal Year 2016-17 as prepared by Vavrinek, Trine, Day & Company, LLP, which Audit is separate from this annual summary Report; further, this Report conforms with and is organized into sections I. through XI., inclusive, pursuant to Section 34176.1(f) of the Dissolution Law:

- I. Amount Deposited into LMIHAF:** This section provides the total amount of funds deposited into the LMIHAF during the Fiscal Year. Any amounts deposited for items listed on the Recognized Obligation Payment Schedule (ROPS) must be distinguished from the other amounts deposited.
- II. Ending Balance of LMIHAF:** This section provides a statement of the balance in the LMIHAF as of the close of the Fiscal Year. Any amounts deposited for items listed on the ROPS must be distinguished from the other amounts deposited.
- III. Description of Expenditures from LMIHAF:** This section provides a description of the expenditures made from the LMIHAF during the Fiscal Year. The expenditures are to be categorized.
- IV. Statutory Value of Assets Owned by Housing Successor:** This section provides the statutory value of real property owned by the Housing Successor, the value of loans and grants receivables, and the sum of these two amounts.
- V. Description of Transfers:** This section describes transfers, if any, to another housing successor agency made in previous Fiscal Year(s), including whether the funds are unencumbered and the status of projects, if any, for which the transferred LMIHAF will

be used. The sole purpose of the transfers must be for the development of transit priority projects, permanent supportive housing, housing for agricultural employees or special needs housing.

- VI. Project Descriptions:** This section describes any project for which the Housing Successor receives or holds property tax revenue pursuant to the ROPS and the status of that project.
- VII. Status of Compliance with Section 33334.16:** This section provides a status update on compliance with Section 33334.16 for interests in real property acquired by the former redevelopment agency prior to February 1, 2012. For interests in real property acquired on or after February 1, 2012, a status update is provided.
- VIII. Description of Outstanding Obligations under Section 33413:** This section describes the outstanding inclusionary and replacement housing obligations, if any, under Section 33413 that remained outstanding prior to dissolution of the former redevelopment agency as of February 1, 2012 along with the Housing Successor's progress in meeting those prior obligations, if any, of the former redevelopment agency and how the Housing Successor's plans to meet unmet obligations, if any.
- IX. Income Test:** This section provides the information required by Section 34176.1(a)(3)(B), or a description of expenditures by income restriction for five year period, with the time period beginning January 1, 2014 and whether the statutory thresholds have been met. However, reporting of the Income Test is not required until 2019.
- X. Senior Housing Test:** This section provides the percentage of units of deed-restricted rental housing restricted to seniors and assisted individually or jointly by the Housing Successor, its former redevelopment Agency, and its host jurisdiction within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted individually or jointly by the Housing Successor, its former Redevelopment Agency and its host jurisdiction within the same time period. For this Report the ten-year period reviewed is January 1, 2007 to December 31, 2016.
- XI. Excess Surplus Test:** This section provides the amount of excess surplus in the LMIHAF, if any, and the length of time that the Housing Successor has had excess surplus, and the Housing Successor's plan for eliminating the excess surplus.

This Report is available on the City's website at (<http://www.ci.brea.ca.us/index.aspx?nid=984>).

I. AMOUNT DEPOSITED INTO LMIHAF

A total of \$3,904,419 was deposited into the LMIHAF during the Fiscal Year. Of the total funds deposited into the LMIHAF, no funds were held for items listed on the ROPS.

II. ENDING BALANCE OF LMIHAF

At the close of the Fiscal Year, the ending balance in the LMIHAF was \$20,676,155 as follows, with no funds held for items listed on the ROPS:

Nonspendable – Loans Receivable	\$16,008,549
Spendable	<u>4,667,606</u>
Total	\$20,676,155

III. DESCRIPTION OF EXPENDITURES FROM LMIHAF

The following is a description of expenditures from the LMIHAF by category:

	Fiscal Year
Monitoring & Administration Expenditures	\$277,505
Homeless Prevention and Rapid Rehousing Services Expenditures	N/A
Housing Development Expenditures*	
➤ Expenditures on Low Income Units	N/A
➤ Expenditures on Very-Low Income Units	N/A
➤ Expenditures on Extremely-Low Income Units	N/A
➤ Total Housing Development Expenditures	N/A
Other***	
Total LMIHAF Expenditures in Fiscal Year	\$277,505

IV. STATUTORY VALUE OF ASSETS OWNED BY HOUSING SUCCESSOR IN LMIHAF

Under the Dissolution Law and for purposes of this Report, the “statutory value of real property” means the value of properties formerly held by the former redevelopment agency as listed on the housing asset transfer schedule approved by the Department of Finance as listed in such schedule under Section 34176(a)(2), the value of the properties transferred to the Housing Successor pursuant to Section 34181(f), and the purchase price of property(ies) purchased by the Housing Successor. Further, the value of loans and grants receivable is included in these reported assets held in the LMIHAF.

The following provides the statutory value of assets owned by the Housing Successor.

	As of End of Fiscal Year
Statutory Value of Real Property Owned by Housing Successor	N/A
Value of Loans and Grants Receivable	\$16,008,549*
Total Value of Housing Successor Assets	\$16,008,549

*Amount reported is net of deferred revenue.

V. DESCRIPTION OF TRANSFERS

The Housing Successor did not make any LMIHAF transfers to other Housing Successor(s) under Section 34176.1(c)(2) during the Fiscal Year.

VI. PROJECT DESCRIPTIONS

The Housing Successor does not receive or hold property tax revenue pursuant to the ROPS.

VII. STATUS OF COMPLIANCE WITH SECTION 33334.16

Section 34176.1 provides that Section 33334.16 does not apply to interests in real property acquired by the Housing Successor on or after February 1, 2012; however, this Report presents a status update on the projects related to such real property.

With respect to interests in real property acquired by the former redevelopment agency *prior* to February 1, 2012, the time periods described in Section 33334.16 shall be deemed to have commenced on the date that the Department of Finance approved the property as a housing asset in the LMIHAF; thus, as to real property acquired by the former redevelopment agency now held by the Housing Successor in the LMIHAF, the Housing Successor must initiate activities consistent with the development of the real property for the purpose for which it was acquired within five years of the date that DOF approved such property as a housing asset.

In furtherance thereof, the Housing Successor does not have any real property.

VIII. DESCRIPTION OF OUTSTANDING OBLIGATIONS PURSUANT TO SECTION 33413

Replacement Housing: According to the 2010-2014 Implementation Plan for the former redevelopment agency, no Section 33413(a) replacement housing obligations were transferred to the Housing Successor. The former redevelopment agency's Implementation Plans are posted on the City's website (<http://www.ci.brea.ca.us/documentcenter/view/2045>).

Inclusionary/Production Housing. According to the 2010-2014 Implementation Plan for the former redevelopment agency, no Section 33413(b) inclusionary/production housing obligations were transferred to the Housing Successor. The former agency's Implementation Plans are posted on the City's website (<http://www.ci.brea.ca.us/documentcenter/view/2045>).

IX. EXTREMELY-LOW INCOME TEST

Section 34176.1(a)(3)(B) requires that the Housing Successor must require at least 30% of the LMIHAF to be expended for development of rental housing affordable to and occupied by households earning 30% or less of AMI. If the Housing Successor fails to comply with the Extremely-Low Income requirement in any five-year report, then the Housing Successor must ensure that at least 50% of the funds remaining in the LMIHAF be expended in each fiscal year following the latest fiscal year following the report on households earning 30% or less of AMI

until the Housing Successor demonstrates compliance with this requirement. This information is not required to be reported until 2019 for the 2014 – 2019 period.

X. SENIOR HOUSING TEST

The Housing Successor is to calculate the percentage of units of deed-restricted rental housing restricted to seniors and assisted by the Housing Successor, the former redevelopment agency and/or the City within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted by the Housing Successor, the former redevelopment agency and/or City within the same time period. If this percentage exceeds 50%, then the Housing Successor cannot expend future funds in the LMIHAF to assist additional senior housing units until the Housing Successor or City assists and construction has commenced on a number of restricted rental units that is equal to 50% of the total amount of deed-restricted rental units.

The following provides the Housing Successor's Senior Housing Test for the 10 year period of January 1, 2007 to December 31, 2016.

Senior Housing Test	1/1/2007 – 12/31/2016
# of Assisted Senior Rental Units	2,245
# of Total Assisted Rental Units	6,303
Senior Housing Percentage	36%

XI. EXCESS SURPLUS TEST

Excess Surplus is defined in Section 34176.1(d) as an unencumbered amount in the account that exceeds the greater of one million dollars (\$1,000,000) or the aggregate amount deposited into the account during the Housing Successor's preceding four Fiscal Years, whichever is greater. The LMIHAF does not have an Excess Surplus (see attached worksheet).
